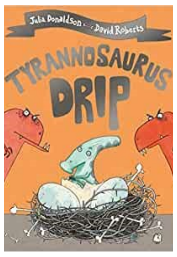
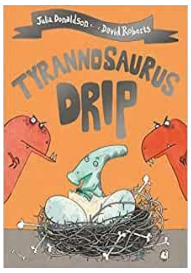
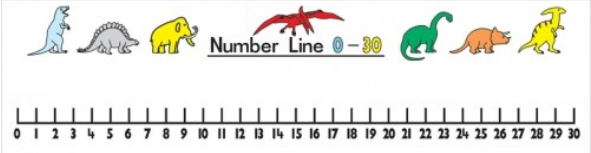
Stomp in the Swamp !



Literacy

During the next few weeks the children will be looking closely at the story of Tyrannosaurus Drip. They will be using drama and storytelling actions to learn the story. They will then develop their writing skills to write their own dinosaur story.





Maths

The children will be developing their understanding of addition. They will use different resources to help them such as number lines, and objects. They will continue to use these resources to help develop their understanding of subtraction.

History and Geography

The children will begin to look at what the world looked like when dinosaurs existed. They will talk about why it looked different. They will also talk about the different periods when dinosaurs existed .

R.E

The children will be discussing what different signs of Easter they can identify and look at how different people celebrate Easter. They will finish off with designing their own eggs.
